

THE COUNTY OF SAN LUIS OBISPO PUBLIC WORKS DEPARTMENT
IS PROUD TO RECOGNIZE THE OUTSTANDING EFFORTS OF ITS
ADOPT-A-ROAD PARTICIPANTS

From Nipomo to San Miguel, from the Kern County line to San Simeon, from Nacimiento Lake
to the Huasna Valley,

The County of San Luis Obispo wishes to extend its gratitude to its
76 Adopt-a-Road Volunteers!

These people have donated their precious time and efforts to keep approximately 180 miles of
San Luis Obispo County beautiful and safe.

The next time you see the blue & white Adopt-a-Road signs along our County roadways, please think of the
volunteers who chose to make a difference. We hope citizens like these will inspire others with their
spirit of community pride and public service.

The County of San Luis Obispo gives a sincere thanks to all the participating people and organizations below:
